

The Newton Plan

The Newton plan features an open-concept main floor layout with living room, dining area, kitchen with eat-in center island, and patio doors that lead to a private side yard and patio that offers bonus covered outdoor living area or choose to convert the space into a finished flex space. The second floor provides an open loft space or optional 4th bedroom with a restful master suite with walk-in closet, dual sink vanity, and water closet, along with conveniently located laundry room, and two guest bedrooms and a full bath. The Newton also has an optional, full unfinished basement for storage and future expansion in addition to an oversized 2-car garage for toys and gear.
